Dear Praying Friends and Family,

As we come to the beginning of a New Year, we are very thankful for what we have seen the Lord do in our lives during 2019. We are very thankful for the churches that we were able to visit while we were back home on furlough. We are thankful for the new support we received this past year as well as for the faithfulness of those churches and individuals who have continually supported us over the years. We are thankful to be back here in the DR and for what the Lord is doing in the work here.

Thank you for your prayers for our church's Christmas program on December 14th. We praise the Lord that we had around 120 in attendance for the program! The Lord definitely rewarded the hard work that the children in the program put in to preparing for their parts as well as inviting their families to attend.

We asked you to pray for Regina and Zoe's trip back to the States in November. Because of Zoe's dwarfism, her doctors have requested her to come back yearly for a check up. We are happy to report that the trip went smoothly and that Zoe received a good report from all of her doctors visits. Thank you for your continued prayers for Zoe!

Please continue to pray for:

...the visitors who attended the Christmas program. Many of those who came were first time visitors. Please pray for continued opportunities with them and for their salvation.

...Club CESP starting back later this month. Pray that the Lord would continue to work in the hearts and lives of those children who have been faithfully attending our weekly Bible Club. Many of them have not made professions of faith. Pray for continued spiritual growth of those who have.

...continued numerical and spiritual growth of the church plant. We are thankful for the faithful adults and teens that the Lord has brought to our church. Pray that the Lord would bring along even more in the coming year according to His will.

...our teammates the Farias as they continue to raise additional support. Pray especially for Cleverson as he will be traveling to Brazil this month to visit family and supporting churches there.

Thank you once again for your prayers and support. If there is ever any way that we can be a help or encouragement to you, please do not hesitate to contact us. We wish each of you a very Happy New Year!

Looking to Him,
Brandon and Regina Bell
