

The Bells

Team Church Planting in the Dominican Republic

October 2019
Support: **87%**

Praise

- We asked you to pray that the Lord would open and close doors for us to purchase the right vehicle, and we are happy to report that we have been able to purchase one that we feel will meet our needs!
- When we returned home for furlough last year, we were at 59% of our needed support. When we arrived here in the DR last month, we were at about 79%. With several new commitments of support over the last two months, we are now at **87%**. We praise the Lord for His provision and thank each of you who have prayed and continue to pray. We are also thankful to each of you who faithfully support us financially.
- CESP club has been going very well. We have averaged around 60 kids each Saturday. Our teammates and church members are involved in this ministry, but we would ask you to pray for more workers as we continue to have more children in attendance.
- We were able to renew our residency earlier this month. The process went very smoothly; thank you to those who were praying!

Prayer

- **Please pray for our church's Christmas program on December 14.** This will be put on by the children who attend church faithfully; pray that their families would be willing to come in order to hear the Gospel clearly presented.
- **Regina and Zoe will be returning to the US on November 7 for several doctors appointments.** Because of Zoe's dwarfism, her doctors have asked that she come in annually for a check up. Please pray for their trip and for the Lord's will to be done in these appointments.
- **Please continue to pray for our teammates, the Farias, who are currently home on furlough.** They have had a full schedule of meetings over the past two months. Pray that, Lord willing, they would be able to get the support they need to return to the field next summer.

Thank you for your continued prayers for us, our teammates, and the ministry here in Puerto Plata, DR! Please feel free to contact us any time if there is any way that we can be a help to you.

Looking to Him,
Brandon and Regina Bell
